I will get to see you one way or another. Thank you for meeting with us. Sometimes these meetings and gatherings don't give us a chance to vet all the information necessary to create meaningful and mutually beneficial visions for the future of the Westchester/LAX Vision.

We are also having a coffee with Laurie and Christina on Monday so we are clear on where they are coming from, as well as they us. I think you and I both know that keeping the transparency and team work between the community and airport during this next few years is key to going forward instead of backward. Feel free to bring anyone you would like. We will have lunch in Howard's office where we can relax and talk freely. Thank you for making time for us.

I will coordinate with Shezell on Monday.

Hugs M

Hi Trevor,

Hoping to do an “in office” lunch with you and Don Duckworth to make sure we are all on the same page with respect to the Police Station. Let me know if you have some time.

Have a great weekend.
